Dedication

The Class of 2018 would like to dedicate their yearbook to Danielle Laura Richmond, a Millbury Jr./Sr. High School graduate of 2013. It was with great sorrow that we heard of her passing last August. She will always be remembered as everybody's "big sister". She was known for her caring, funny, and most of all, lovable personality. Danielle played a huge role in so many hearts and lives. We will always remember the light that shines from her, and her everlasting impact on the many lives she touched.

We had a successful season this year after overcoming the challenge of having a new coach. We finished top in our league winning SWCL against Quaboag. We then went on to gain another district title and moved on to the state semi-final where we defeated Granby for the third year in a row. We ended our season by making it to states for the third consecutive year in a row. We finished our season with a record of 13-5-5.

Our season was very successful with an 11-6-3 record. We made the quarterfinals of districts and finished with a total of 83 goals. We faced adversity and hardship all season, but we always found a way to overcome it. We fought hard for each other and with each other all season and pulled out difficult wins as a result. All of this ultimately lead us to win our second SWCL championship.

At the beginning of our season we started strong with 11 girls competing. Throughout the season there were many injuries that stood in our way but we did not let this stop us. By the time of our SWCL competition, we were down to seven girls but still managed to receive the score we needed to advance to our Regional Competition. We received some of our highest scores ever and hope to continue to grow throughout the season.

In the beginning of the season, the Woolies had a tough schedule ahead of them. They moved up a division and the season was looking rough. After starting off 0-2 some people were starting to doubt the Woolies, but they were not phased. They overcame the adversity and won 7 straight games after those two losses. Millbury ended up making playoffs, the first time in 8 years. This team is one that will be remembered for a long time.

The 2017 season was extremely successful for the boys cross country team. With a record of 9 wins and 2 losses, we won SWCL C for the second year in a row. At the league championship meet, we ended up placing second, which was a great accomplishment. This team will lose three talented seniors this year, but the young talent on the team should make up for that loss. Next year we hope to go undefeated and win at the SWCL Championship meet.

The Millbury Varsity Volleyball team had a successful season this year, finishing the season with a record of 16-6. Despite battling season-long injuries, the Lady Woolies went undefeated in SWCL, bringing home another title. Our team maintained a close blond throughout the season, and it reflected on the court. The volleyball team would like to thank their coaches for their constant support. Rodina for life.

We had a very successful season with a very impressive record of 14-2 which we improved on from the previous year's record of 11-5. The underclassmen had to step up with senior Devin Weaver being unable to play 13 of the 16 matches with a wrist injury. Tommy Rembieszewski, Jack Ezold, and Ryan Tarasiak played extremely well through the season and were the biggest contributors to our season. In the SWCL tournament, the team came in 4th overall and Tommy Rembieszewski came in 8th out of 66 players. Millbury also placed 6th in the district tournament to finish off an extremely successful season.

This momentum carried us through the season which we finished with a record of 13-5 in the regular season. We won SWCL again for the fourth year in a row. We had a successful run in districts and played together until the end.

The boys' indoor track team was part of a long season that seemed to end too quickly. This season our team was composed of a lot of young students. Our three captains were our oldest members and they were only juniors. However, this young team did not lack in talent. After progressing through many challenging meets, we had many of our young athletes advance on to the districts meets where they represented our school well.

The winter cheerleaders had a great season. We worked hard all season and placed 2nd in SWCL. We then advanced to Regionals and received 2nd there as well. Then we moved onto states and did very well. Although there were no seniors on the team, all of the underclassmen, especially the juniors, stepped up to lead the team. Captains, Sarah Crossman and Julia Fortin, were great examples for the younger members of the team. Overall, it was a fun and successful season.

We've found over a million ways to make a difference.

Millbury Savings has been an integral part of the community for more than 160 years. In that time, we've come to believe that to be a good bank, you have to be a good neighbor. That's why we're proud of our long history of giving back generously to the neighborhoods we serve.

In the past two decades alone, we've provided nearly $1.3 million in charitable contributions and other support to a variety of local organizations that help enrich lives and bring people together.

We're looking out for you.
